INDIVIDUAL TAX RETURN ENGAGEMENT

This letter confirms the terms of the engagement with you and the nature and extent of services WorkMyTaxes will provide. Our fees become due once we begin preparation of your tax returns. WorkMyTaxes will prepare your federal and state income tax returns you request using information you provide us.

It is your responsibility to provide information required for preparation of complete and accurate returns. You should keep all documents, canceled checks and other data that support your reported income and deductions for a period of 7 years. They may be necessary to prove accuracy and completeness of the returns to a taxing authority. You are finally responsible for the returns, so you should review them carefully before you sign them. The law imposes penalties when taxpayers understate their tax liability. If you have concerns about such penalties, please call us.

Our work will not include any procedures to discover defalcations or other irregularities. The only accounting or analysis work we will do is that which is necessary for preparation of your income tax returns.

We will use our judgment in resolving questions where the tax law is unclear, or where there may be conflicts between the taxing authorities' interpretations of the law and other supportable positions. Unless you instruct us otherwise, we will apply the "realistic possibility of success" standard to resolve such issues in your favor where possible.

Your returns may be selected for audit by a taxing authority. Any proposed adjustments are subject to appeal. In the event of a tax examination, we can arrange to be available to represent you. Such representation will be a separate engagement for which an engagement letter will be provided to you. Fees and expenses for defending the returns will be invoiced in accordance with terms we agree on for that engagement.

Our fee for preparation of your tax returns will be based on the amount of time required at standard billing rates plus out-of-pocket expenses. All invoices are due and payable before we send the draft taxes to you for your review.

We will retain copies of records you supplied to us along with our work papers for your engagement for a period of three years. All of your original records will be returned to you at the end of this engagement. You should keep the original records in secure storage.

To indicate that this letter correctly summarizes your understanding of the arrangements for this work, please sign this letter & send us a copy.
